Assistant Director of  
Operations, 402 1717 H

George:

Forwarded for your information is a memorandum from the Office of Logistics concerning the mix-up of [redacted] physical examination.

What happened here is that in relaying instructions through so many offices, [redacted] evidently ended up with instructions which were contrary to the ones originally outlined by the Medical Staff.

I am sorry this happened and assure you that steps have been taken so that there will be no recurrence.

We would appreciate it if you would go ahead and pay the bill, and if at the end of the year you end up \$49.00 short, please let me know and we will dig the money up some place.
